enable works

We believe that every person in Scotland has the **right** to work in a job that is high **quality** and **well paid**.

Enable Works supports over **7,000** people every year across 29 Scottish Local Authorities to learn **skills** for **work**.

We meet clients in a variety of settings including in **schools** and **universities** and out in the **community**.

We **partner** with thousands of employers to create **inclusive** cultures and improve the **diversity** of Scotland's workforce.

Together we will **challenge perceptions** of disability and **unleash potential**.

Why are we needed?

Disabled people experience **significant barriers** to employment and are **underrepresented** in Scotland's **workforce**.

The **Disability Employment Gap** refers to the difference in employment rates between disabled people and the rest of the working age population. The disability employment gap in Scotland is currently **31.2%**, the **biggest** in the **UK**. For someone who has a **learning disability** the gap is even bigger – **75.1%**

But even when in work, disabled people still experience disadvantage and for every pound a non-disabled person earns in work, a disabled person earns **just 86p**.

It's not good enough and we want to change it.

Success to us means everyone **who can** and **wants to work** has the right support and opportunities that **enables** them to **thrive** and live a **good life**.

What we do

Our commitment to Diversity, Equity and Inclusion

We don't just accept difference, we wholly **support** it and **celebrate** it. Achieving **diversity in the workplace** is a **priority** at Enable Works.

We create a space where you can bring your **authentic self** to work and we **foster a culture** where you can **challenge, grow** and **learn** from each other.

"At Enable Works there is respect and understanding at all levels of the business and we are empowered and encouraged to take ownership for our roles, and helped to develop"
